Some properties have a little more personality-and a lot more room for possibilities! Situated on a .28-acre corner lot across from the elementary and middle school, this 4-bedroom, 1.75-bath home brings together original character and practical extras. The enclosed front porch is filled with natural light, with French doors opening to the living room. Inside, you'll find wood trim, an arched opening between living and dining areas, and a kitchen with a nostalgic feel. A main-floor bedroom and half bath add convenience, while upstairs offers additional bedrooms and a full bath with a classic clawfoot tub. A newer boiler is a plus. Outside, the newer 30 x 24 shed with electricity and a concrete floor is ready for hobbies, storage, & projects, with an additional storage shed for even more flexibility. Qualifying graduating seniors may be eligible for scholarships through the Worth County Development Authority. Character, room to roam, and space for your projects-come take a closer look!
