Hurry to have your chance at this very well kept property in a well desired commercial area. 1.41 acres include the building, parking lot and storage shed. There is also a drive through lane with the property. It has been a Vet Clinic for the last 10 years and sellers are willing to sell it as a turn key business with the inventory and equipment to be negotiable. It is a clear span building so you can make it all custom to your needs easily. Great location for any business!! Call today before it's gone.
