Acreage living while having the perks of town. This 4-bedroom home sits up on the hill South of the city park in Thornton. There is a little over 1 acre on this property on a dead-end road. It is very quiet and peaceful like an acreage but offers the convenience of city water and city sewer. The kitchen/dining area is very open along with a large living room. Two-stall attached garage and plenty of room to put up another building. Please call Jaspersen Ins & RE to set up an appointment to view this property.
