2 Bedrooms | 2 Bathrooms | 1,324 Sqft

Spacious 2+ bedroom home with oversized garage! This charming 2-story home offers 1,324 sq ft of living space. Step inside the enclosed front porch as you enter the home's living areas. The main level features a cozy living room that opens to an office space that could be converted to a third bedroom. The large dining room features hardwood floors and a Hoosier-style built-in hutch. A full bath is tucked off the dining room. The bright eat-in kitchen has windows to the backyard and efficient storage spaces. Upstairs, you'll enjoy two generously sized bedrooms, one of which includes a corner commode for added convenience. The full basement provides storage with plenty of space for a workshop or hobbies, laundry hookups, and a shower. Outside, you'll love the 16' x 30' garage built with a loft for extra storage. The backyard features a patio, storage shed, and a hidden garden tucked behind the garage. Own this affordable home with so much to offer!
