MORE THAN MEETS THE EYE WITH INDOOR AND OUTDOOR SPACE THAT CATERS TO EVERYONE! Step inside! Bring in your large furniture to fill the enormous living room or divide the area into a living room and a bonus office or reading nook. Kitchen window overlooks and offers direct access to the backyard; dining area space just off the kitchen, and a full bath around the corner. Two bedrooms are upstairs with a third in the basement. A perfect movie room set up is downstairs - just bring the pillows and popcorn! The laundry room is through the bathroom; convenient storage for pillows and blankets in the bonus room. Prepare yourself for all the outdoor fun - grill out on the back deck while you plant your veggie garden, put out the table and chairs on the patio, and let the furry friends roam free in the fully fenced backyard! The oversized two-stall garage, located just off the alley, can accommodate a variety of vehicles, toys, and lawn care equipment. Let's make this humble abode your NEW HOME!
