3 Bedrooms | 3 Bathrooms | 4,616 Sqft

If you're seeking space, this stunning 4,616 sq ft home with an attached heated 3-stall garage is the one! Built in 2020, this 3-bed, 3-bath beauty sits on a cul-de-sac in the desirable Stonecliff subdivision. The eat-in kitchen features a large island and high-end Bosch appliances, while the generous living room and additional family room provide plenty of space to relax. Step out from the family room to a charming covered deck that overlooks the well-maintained backyard, complete with an irrigation system. The main floor also includes the primary suite with an en-suite bath and walk-in closet, a guest bedroom and bath, and a convenient laundry room off the kitchen. The lower level is perfect for entertaining, with a massive rec room featuring a gas fireplace, a hobby/craft room, an extra bedroom, and a bathroom. The walk-out basement opens to a covered patio and large backyard, ideal for gatherings. Don't miss your chance to experience the space and comfort of this exception HOME.
