Come and take a look. This home was completely remodeled in 2023, down to the studs and a new oversized garage was built at that time. Enter the home with vaulted ceilings which views the living room and kitchen. The kitchen has cherry cabinets and also has a sliding door to go to the deck for summertime cookouts. This home also includes main floor laundry and two nicely sized bedrooms. Newer windows. Composite decking on the front and back decks. Alley access to oversized garage.
