5 Bedrooms | 3 Bathrooms | 2,736 Sqft

You are not going to want to miss this 5 bedroom family home with 3 baths, corner lot, updated kitchen with soft-close cabinetry, built in gas range with a pot filler, built in wall oven, farm house apron sink and pantry. Spacious living room with lower level family room. Cozy back deck leads to your backyard oasis, with paver patio, concrete sidewalk and lamp post with auto on/off flame flicker lights, and exterior color changing LED lights on the front of the home with auto on/off feature. Smart features include lights and the true gem of this property is the detached double stall garage, insulated and air tight with foam sheet and spray insulation, in-floor heat, mini-split for summer heat, floor drain to 35 gallon drum, epoxy floor, exhaust fan and urinal. A perfect workshop, mechanic's dream, or just plain extra place to enjoy some relaxation or place to tinker on your favorite hobby. Give your favorite Agent a call to check this out today!
