\$279,900

3 Bedrooms | 2 Bathrooms | 3,152 Sqft

Great open and spacious 3 bedroom home with 1,576 sq ft of living area on main level, with much of the basement being finished too! Lower level bonus room could be a 4th bedroom if you add an egress window. Pool room (pool table stays) and large laundry room and loads of storage throughout. Living room with fireplace and open dining with French doors to a large back '23 x11' covered deck and lower deck! Large foyer as you come in off the front porch. Huge family room downstairs. Master bath/BR. Bathrooms on each floor. Newer shingles.
