3 Bedrooms | 3 Bathrooms | 3,664 Sqft

This beautifully maintained home offers the perfect blend of comfort and functionality on approximately 3.5 acres with a fenced area for animals. A covered porch ushers you into a great room with soaring vaulted ceilings and an open floor plan. The main level also offers a laundry room, private office, and a guest bedroom with an attached bath. Upstairs, the primary suite features a large walk-in closet and a private bath. The lower level is a haven for relaxation, featuring a cozy family and game room with in-floor heat. Storage galore and dedicated craft areas ensure a place for every passion. Outdoors, a fantastic shop with three garage doors, a barn, an additional one-stall garage, and a shed support your hobbies. The two-stall attached garage also features in-floor heat with a separate basement entrance. This meticulously cared-for home and its outbuildings offer a unique opportunity on private, multi-use acreage. Don't miss out on this amazing opportunity!
