**\$295,000**

**2 Bedrooms | 2 Bathrooms | 1,614 Sqft**

Welcome to Hunters Ridge, where comfort meets nature! Step inside this spacious home with an open floor plan that effortlessly blends style and functionality. Relax in the living room with soaring ceilings or unwind in the bright 3-season room, your private retreat to watch deer, fawns, and the local birds in their natural setting. The kitchen is bright, cheerful, and ready for everything from weekday dinners to family gatherings, complete with plenty of cabinetry and a central island for cooking or casual dining. Your primary suite is a peaceful escape, offering a walk-in closet, full bath, and generous room size, which steps directly out to the 3 season room. With an oversized garage and thoughtful spaces throughout, this home offers the perfect mix of comfort, convenience, and connection to nature"ready for you to move in and make it your own.
