A stunning 2-story home nestled on a quiet cul-de-sac in Stone Pillar Subdivision is waiting to be called your new Dream Home. There has been a ton of updates completed on the interior and gives the feel of a brand new home. Starting on the main floor you find a large living room and family room with a gas fireplace, dining room, laundry room, updated 1/2 bath, and a beautiful new kitchen with appliances included. Upstairs you find 3 bedrooms, a full updated bathroom with in floor heat, a large primary bedroom suite with a large walk in closet, and updated full bathroom with in floor heat, bubbler tub, and walk in shower. Down to the basement you will find the 5th bedroom, large family room, and another updated full bathroom. The large oversized attached 3 stall heated garage is an added bonus. Outside you find a large backyard with a newly installed fence and a large deck overlooking the back yard. The furnace, AC, and water heater have also been updated. Don't miss out! Call today!
