Charmingly Just Right! Just the right size with just the right character for just the right price! This cute story-and-a-half home has a primary suite upstairs with a 3/4 bath step-in shower. Two bedrooms and a full bath on the main level. Bright kitchen that opens to the dining and living room areas with wood floors. Fun finished family room in lower level, a bonus craft/office area, a half bath in the laundry area and storage. New vinyl siding and roof on the home in the last few years. Detached single stall garage. The value is here, the rates are good, it's a great to buy!
