4 Bedrooms | 2 Bathrooms | 2,348 Sqft

Full of character and hand-crafted details! Situated on a corner lot, this stately 4-bedroom home offers 2,873 sq ft of living space. A classic covered front porch leads into the home's impressive front foyer with a beautiful oak staircase, built-ins, and sliding doors. The main level offers multiple living areas. The front room is well-suited to an office, playroom or living space. The living room has an open layout for seating and flows into the formal dining room with built-in hutch. The kitchen has an efficient layout and walks out to the back deck and patio area. Also on the main level is a large $\frac{3}{4}$ bath and laundry room. Follow the front or back stairs up to find 4 nice-sized bedrooms and a full bath with vaulted ceiling, skylights and soaker tub. The basement has a large rec room and ample space for storage. A walk-up attic also provides additional storage. Don't miss the insulated detached garage (20' x 24') with work space. Schedule a private showing to appreciate all the details in this beautiful home!
