5 Bedrooms | 3 Bathrooms | 2,736 Sqft

Step into a home that truly has it all-space, style, and features designed for everyday living and comfort. This spacious 5-bedroom, 3-bath property sits on a desirable corner lot and offers a perfect blend of modern updates and inviting charm. The heart of the home is the kitchen, featuring soft-close cabinetry, a built-in gas range with pot filler, wall oven, farmhouse apron sink, and a convenient pantry ideal for both daily meals and entertaining. Enjoy generous living space with a bright main-level living room and an expansive lower-level family room, giving everyone room to spread out. Out back, unwind on the cozy deck overlooking your private backyard retreat, complete with a paver patio, concrete walkway, and a charming lamp post with automatic flame-flicker lighting. Smart home features add modern convenience, enhancing both comfort and efficiency. The true showstopper is the detached double-stall garage fully insulated and air-tight with foam board and spray insulation.
