TIMELESS BRICK, FLEXIBLE SPACE, AND A LOCATION THAT CHECKS ALL THE BOXES—THIS ROLLING ACRES HOME DELIVERS MORE THAN EXPECTED. The main level offers two comfortable bedrooms and a bright, easy-flow layout that connects the living, dining, and kitchen areas for everyday ease. Upstairs provides a private escape that can shift with your needs, whether that’s an additional bedroom, office, or creative space. Just off the back, the 3-season porch invites you to slow down and enjoy the changing seasons in comfort. Rear deck overlooking the yard offers peace and comfort. The lower level expands your options with a generous bonus room and the potential for a 4th bedroom with the addition of an egress window. Key updates include a new AC in 2018, water heater in 2019, and radon mitigation system installed in 2023, offering added reassurance. A detached garage and practical layout round out a home designed to grow with you. Let's take a closer look together.
