3 Bedrooms | 2 Bathrooms | 1,680 Sqft

Tucked away on a cul-de-sac, this inviting ranch offers space, comfort & beautiful views of the NIACC prairie and walking path. Welcoming front porch sets the tone, while the oversized back deck and glassed sunroom create the perfect spots to relax and take in the scenery. Inside, you'll love the functional floor plan featuring a spacious living room & an open kitchen with real hardwoods, abundant cabinetry, and all appliances included. The kitchen flows seamlessly into the dining and sitting area highlighted by a cozy gas fireplace. Convenient main floor laundry. The primary suite features a 3/4 bath and direct access to the sunroom complete with a hot tub that stays for your own private retreat year-round. The lower level offers a double rec area, bonus room, and an impressive furnace/storage space with excellent potential for a workshop or hobby area. Complete with a double attached garage, this home offers the space, setting, and flexibility you've been looking for inside and out.
