Craftsman bungalow charm takes center stage the moment you arrive, where timeless lines and a welcoming front porch hint at the warmth waiting inside. The spacious living room invites you in with a brick fireplace & striking oak built-ins, all beneath soaring 9-foot ceilings. Hardwood floors add warmth, while updated lighting brings a cohesive touch along with curated paint selections that honor the home's heritage. The kitchen is both functional & inviting, featuring custom maple cabinetry and a generous workspace, with a charming dining area nearby. Bedrooms feel comfortable & grounded with natural light. Downstairs, a relaxed lower level adds space for hobbies. Outside, the new back patio creates a fresh setting for grilling or unwinding at the end of the day. All just moments from downtown, local arts, the historic Frank Lloyd Wright Hotel, ice arena, & more. This is the kind of home that blends history with livability in all the right ways. Come see what makes it stand out.
