3 Bedrooms | 2 Bathrooms | 1,560 Sqft

Enjoy the best of both with this well-maintained 3-bedroom manufactured home on approximately 2 acres on the edge of Kensett. Connected to city water and sewer, yet offering a peaceful country like setting. The home features an attached 1.5 garage along with a massive additional warehouse-style building, perfect for storage, hobbies, or business use. Major updates include newer windows, a furnace less than 5 years old, roof and water heater about 6 years old. Plenty of space inside and out, with room to grow, work, and relax, all in a quiet small-town setting!
