Country living with room to breathe! This beautifully updated acreage offers the perfect blend of timeless farmhouse character and today's modern improvements. The current owners have remodeled this classic 4-square home from top to bottom while preserving the charm that makes this country home so special including gorgeous hardwood floors, original built-ins, and stunning colonnades. Major updates include a new furnace & central air, upstairs mini-splits, windows, doors, gutters, water softener, septic system, lighting, refrigerator, sod, and more. The walk-in attic has also been finished for additional living or storage space. Situated on approx 2 acres with excellent outbuildings offering endless possibilities for hobby farming and storage. Enjoy peaceful country views and the comfort of rural living just minutes from Rockford, a welcoming small town known for its community pride, parks, river access, and convenient location between Mason City and Charles City. Welcome HOME!
