3 Bedrooms | 3 Bathrooms | 2,640 Sqft

Peaceful acreage living on 2.3 acres just outside of Marble Rock! The perfect mix of comfort, space, and country charm! This ranch home offers an open floor plan with a beautifully remodeled kitchen featuring quartz countertops, custom cabinetry, and an oversized island flowing into the main living area. Three spacious main-floor bedrooms plus a lower-level 4th non-egress bedroom provide extra flexibility. The large lower-level family room with bar area is perfect for entertaining or game day gatherings. Enjoy the peaceful setting from the large front deck or newer oversized concrete patio out back. Added peace of mind with a septic system newly installed during the previous sale. Attached heated garage plus incredible outbuildings including a 30x100 shed and 38x54 shop offering endless possibilities for storage, hobbies, toys, or a home business. Country views, modern updates, and space to enjoy inside and out! Welcome HOME!
