A BOLD RED DOOR SETS THE TONE THE MOMENT YOU ARRIVE, HINTING THAT THIS CUSTOM-BUILT HOME IS ANYTHING BUT ORDINARY. Inside, 12' soaring ceilings, wide-open living spaces, and floor-to-ceiling stone accents create a warm, modern backdrop for everyday living. The gourmet kitchen pairs a large Cambrai island with elegant cabinetry and a seamless flow to the dining area and great room. The primary suite offers patio access, a deep walk-in closet, dual vanities, & a spa-inspired bath with tiled shower and jetted tub. 4 additional bedrooms provide comfortable space for guests & office area, while the expansive rear patio with fire feature, open views, & room to gather extends the home's living area outdoors. Radiant in-floor heat throughout, heated garage, Lutron lighting, and full irrigation system. Thoughtful design, quality finishes, and effortless function come together in a home built to stand out in a desirable neighborhood. Experience the craftsmanship and comfort this home delivers.
