PEACEFUL SMALL-TOWN LIVING WITH A SCENIC TWIST! Nestled near the Shell Rock River and just moments from the new Mill Pond Pedestrian Bridge, this beautifully maintained ranch home offers comfort, charm, and a setting that feels like a retreat. Situated on a landscaped corner lot, the property includes two detached single stall garages plus newer composite decking in both the front and side yard, creating the perfect spots for morning coffee, bird watching, or summer cookouts. Inside, the cozy living room features a gas fireplace and flows seamlessly into the kitchen, dining area, and built-in desk with storage. Two main floor bedrooms include a spacious primary suite with a walk-in closet and a convenient bathroom laundry setup. The partially finished lower level offers additional living space, ample storage, walkout access, & a waterproofing system installed by American Waterworks in 2018, backed by a transferable lifetime warranty. Come see why this one feels like home from day one!
