COUNTRY CALM WITH ROOM TO BREATHE! Tucked among mature trees on 1.55 acres, this one-level ranch home offers the kind of peaceful setting that instantly slows life down. A welcoming covered porch overlooks the private yard filled with wildlife, open green space, and scenic views backing up to the Winnebago River. Inside, the spacious living room features a cozy fireplace and opens seamlessly to the kitchen and dining area with sliding doors leading to the deck for easy indoor outdoor living. The kitchen offers abundant cabinetry, generous prep space, and a functional layout designed for everyday comfort. The primary bedroom includes its own private bath, while main floor laundry adds convenience right where you need it. An attached 2 stall garage, storage shed, & expansive yard complete the package. Watch deer wander through the trees while birds sing, and river views create peaceful mornings daily. Space, privacy, and nature all come together here - come claim your quiet corner today!
