This very spacious and beautifully designed 2-story home is tucked away on a quiet cul-de-sac near the golf course and offers the perfect blend of comfort, character, and entertaining space. Built in 1992, this 3 bedroom, 3 bath home features an open-concept layout with soaring vaulted ceilings in the upper-level bar and social area, creating a truly unique gathering space full of warmth and charm. The main level offers gorgeous wood floors, a cozy fireplace, formal dining room, sunroom, and convenient main floor laundry. The kitchen and living areas flow seamlessly together and overlook the fenced-in backyard, making this home ideal for both everyday living and entertaining guests. Upstairs, the heated bathroom floor and classic clawfoot tub add a touch of luxury and character. The finished basement provides even more living space with an additional bar area, egress window, family room potential, and abundant storage throughout the home. With two entertaining/bar areas, a 3-stall garage, spacious rooms, and a highly desirable location near the golf course, this well-maintained home offers space, functionality, and personality that is hard to find.
