Forget cookie-cutter when you can have character, updates, and a backyard that feels like your own private park! Framed by a newer pergola and welcoming deck, this refreshed home blends comfort with practical improvements already in place. Inside, newer flooring creates a clean, modern feel while bright windows fill the living spaces with natural light. The kitchen and dining area offer an easy flow for everyday living, and the bedrooms provide comfortable retreats at the end of the day. Major exterior updates include newer siding, roof, windows, and central A/C, helping take some of the guesswork out of homeownership. A newer sidewalk and front walkway lead directly to the house, adding convenience and curb appeal from the moment you arrive. Out back, the oversized yard offers room to garden, entertain, play, or simply relax, while the detached two-stall garage provides valuable storage and workspace. Come see what makes this one stand out! There's space here to grow, gather, and enjoy
