MOVE RIGHT IN and enjoy this beautifully refreshed brick ranch located in the desirable Forest Park area near the hospital! This well-cared-for home offers a comfortable floor plan with 2+ bedrooms, including a formal dining room that has previously been used as a bedroom for added flexibility. Recent updates give the home a fresh, modern feel, including remodeled kitchen improvements with updated countertops, sink, fixtures, lighting, flooring, interior paint, bathroom vanity, and all new appliances that stay. Quality Pella windows have previously been installed throughout the home for added efficiency and style. The lower level offers additional living space with a spacious family room, 3/4 bath, laundry area, and bonus room with potential for a 3rd bedroom with the addition of an egress window. Double attached garage, fenced side yard, decking, and patio complete this inviting home. Welcome HOME!
