Enjoy modern in this fully accessible (including a durable aluminum wheelchair ramp) one-floor living in this beautifully updated ranch on a corner lot. Within the last three years, the home had a complete renovation of the kitchen, new flooring throughout and a new roof. You'll find the washer and dryer on the main floor, providing effortless single-level functionality. Downstairs, a full basement offers a versatile second living space, a bonus kitchen, and a non-conforming bedroom (no egress). This level also provides abundant storage, making it perfect for guests or extra space. If you're looking for comfortable and easy living, check out this home!
