Priced below assessed value! One-of-a-kind custom-built acreage home with stunning sunset views over wide-open farm fields. Enjoy multiple decks, including a grilling deck off the chef's kitchen featuring a gas cooktop, and custom cabinetry. Open floor plan with main-level primary suite offering a spacious bath and walk-in closet. Also, a main-level game room includes a wet bar (with a unique martini-shaped sink) and walkout deck overlooking the fields. Walkout lower level features a large family room with kitchenette, three bedrooms, two 3/4 baths, storage room, and workshop. Three-car garage and thoughtful design throughout. A rare opportunity to own a beautifully crafted acreage with exceptional indoor-outdoor living!
