4 Bedrooms | 3 Bathrooms | 3,390 Sqft

Experience the very best of Clear Lake from this custom-crafted lakeside retreat, completely reconstructed and expanded by Meints Construction in 2013. Designed to capture breathtaking lake views, this exceptional home blends timeless craftsmanship with effortless entertaining. Rich hardwood floors, custom millwork, coffered ceilings, a striking stone fireplace, chef's kitchen with premium built-in appliances, and walls of windows define the open living spaces. The walkout level offers stained concrete floors, a second kitchen, and generous gathering areas. Completed in 2022, the spectacular enclosed lakeside porch is the heart of the home, seamlessly connecting to expansive decking with a built-in grilling station and firepit overlooking the water. The included dock makes lake life effortless, with a Cobalt boat and hoist available separately. More than a HOME, this is a place to gather, celebrate, and create generations of unforgettable memories. Lake memories begin right here.
