YOU'LL LOVE HOW MUCH SPACE AND FLEXIBILITY THIS HOME HAS TO OFFER! New flooring brings a fresh feel to the living room, dining room, and kitchen, while newly exposed hardwood floors add character to the bedrooms. Natural wood built-ins add useful storage in the dining area. The main-floor bathroom has been updated with a walk-in shower, and a newer roof offers added peace of mind. The finished lower level gives you even more room to enjoy, featuring a kitchenette and a bonus living area that would be perfect for movie nights or game days. The laundry area includes a 3/4 bath, while the utility room offers plenty of storage to help keep everything organized. Outside, the fenced yard provides space for pets or gardening, & the back deck is ready for grilling and relaxing. A detached two-stall garage sits off the alley with additional parking for guests, toys, or everyday use. With useful space on every level, this house is ready to fit how you live. Come see where your story could begin!
