3 Bedrooms | 1.5 Bathrooms | 2,112 Sqft

EASY LIVING STARTS WITH A HOME THAT SIMPLY WORKS! The main level offers an easy-flowing layout with three bedrooms, a full bath, comfortable living room and dining area, plus a kitchen designed for everyday function with plenty of cabinetry, generous counter space and a snack bar for casual meals or morning coffee. A bonus convenient half bath and laundry area just off the living room. Downstairs, the finished lower level adds valuable bonus space for movie nights, hobbies, a home office or whatever fits your lifestyle. Outside, the fenced yard gives pets and play plenty of room, while the patio creates a great spot for summer evenings and gathering around the fire. An attached garage, metal roof and low-maintenance exterior round out the package. If you've been waiting for a home that's manageable, functional and full of possibility, come take a closer look—your keys may be closer than you think! There's room to make the backyard your own retreat!
