\$430,000

2 Bedrooms | 2 Bathrooms | 3,151 Sqft

Step into this Townhouse that has been thoughtfully improved from top to bottom. With more than \$130,000 invested since 2024, this spacious Hunters Ridge home offers the ease of townhome living without sacrificing comfort or room to entertain. Major updates include a high-efficiency Trane furnace and 16 SEER central air, new gas water heater, new appliances, whole-house insulation, updated lighting, custom blinds, fresh interior and exterior paint, and a new patio door. The impressive outdoor transformation features an expansive patio, professional landscaping, mature plantings and a relaxing water feature. Additional improvements include cedar siding replacement, a coated garage floor, new garage door opener, duct cleaning, updated hardware and refreshed cabinetry. Warm, welcoming and exceptionally well cared for "this is one you will want to see. A complete list of improvements is available. All the work has been done so simply move in, settle in and enjoy!
