2 Bedrooms | 1.5 Bathrooms | 225 Sqft

Quality-built and ideally located on Charles City's west side, this well-maintained one- story home offers 1,545 finished square feet of comfortable living space. Built in 1958, the home showcases character throughout and thoughtful design with two spacious bedrooms. The primary bedroom has a large closet and built-in dresser with the second bedroom each featuring two closets, for abundant storage. The generous kitchen and dining area presents with wood cabinetry and plenty of room for everyday living and entertaining, while the front-facing living room provides a welcoming space to relax. Additional features include a one-stall attached garage, attractive landscaping, and a backyard concrete patio perfect for outdoor enjoyment. Recent exterior improvements include new shingles (August 2026) and partial exterior painting, adding to the home's value and curb appeal. Offering a wonderful combination of quality construction, functional living space and a desirable location, this home is ready for its next owner to enjoy.
