SOME HOMES MAKE AN IMPRESSION BEFORE YOU EVEN OPEN THE DOOR! Set on .40 acres in the desirable Sunset Ridge development, this custom-built home brings luxury living to a sought-after west side location. From its curb appeal and covered front porch to the beautiful backyard, every detail sets the tone. Inside, rich woodwork, natural light and smart custom design create a comfortable atmosphere. The kitchen shines with cabinetry, stainless steel appliances, a breakfast bar and casual dining area with doors to the outdoors. A separate formal dining room is ready for gatherings, while the living room features a fireplace and custom built-ins. Upstairs, the generous primary suite offers a vaulted ceiling, dual vanities, soaking tub, separate shower and an impressive walk-in closet. The other five bedrooms offer flexibility, & the finished lower-level living space adds more possibilities. Heated three stall garage completes the package. New roof & carpet. Make Sunset Ridge your next address!
