A LITTLE CHARACTER, LOTS OF POSSIBILITIES, AND JUST A BLOCK FROM OAK PARK! This charming home brings together original hardwood floors, practical living spaces, and thoughtful features inside and out. The main floor offers two bedrooms, a full bath, and a bright living room, while the third bedroom upstairs provides a comfortable retreat beneath the roofline. Maple kitchen cabinets add natural character, and the eat-in dining area opens through sliding doors to the backyard patio, making outdoor meals and gatherings easy. Along the back fence, a perennial garden brings seasonal color to the yard. A newer oversized detached garage provides extra room for parking and projects. Downstairs, a bonus living area creates space for movie nights or a second place to unwind, with separate laundry, utility, and storage areas to keep everything organized. From the flexible floor plan to the nearby park, there's plenty to appreciate here. Take a closer look and see where your ideas fit!
